

Cemeteries & Memorials

ABMC administers, operates and maintains 26 permanent American military cemeteries and 30 federal memorial, monuments and markers, which are located in 17 foreign countries, the U.S. Commonwealth of the Northern Mariana Islands, and the British Dependency of Gibraltar; three of the memorials are located within the United States. These cemeteries and memorials, most of which commemorate the service and sacrifice of Americans who served in World War I and World War II, are among the most beautiful and meticulously maintained shrines in the world. Visit [ABMC Burial and Memorialization Statistics](#) to learn about the number of men and women we honor around the world.
