Re: ***Edward Wierszewski v. Alan Thibault***
Case No: 17-550

Dear Mr. Harris:

I write to request an extension of time to file respondent Alan Thibault's ("Thibault") response to the petition for certiorari in the above-referenced case. Thibault's brief is presently due on January 8, 2018. I am seeking an extension of 28 days, through and including Friday, February 5, 2018.

Although I diligently attempted to meet the Court's January 8, 2018 deadline, a number of health-related issues in my family required my immediate attention, and an extension will provide me with sufficient time to attend to my family and file a response that appropriately addresses the issues raised in the petition for certiorari.

I have consulted with opposing counsel about this request and have been informed by Michelle Thomas of Thomas DeGrood & Wittenoff PC, counsel for the petitioner, that the petitioner does not object to Thibault's request for a 28-day extension. Nor will this request for an extension have an adverse impact on the Court's calendar.

Thank you for your kind consideration of my request.

Very truly yours,

DANIEL W. WEININGER
