Re: No. 17-707, *KIP CR P1 LP v. Oracle Corporation, et al.*
No. 17-708, *KIP CR P1 LP v. Cisco Systems, Inc., et al.*
Oracle Corporation and NetApp Inc.'s Application for a 30-day Extension of Time to File Responses to the Petitions

Dear Mr. Harris:

On January 3, 2018, the Court called for responses to the petitions for writs of certiorari in the above-referenced cases by February 2, 2018. Pursuant to this Court's Rule 30.4, Oracle Corporation and NetApp Inc. respectfully request a 30-day extension of time within which to file responses to the petitions.¹ Petitioner does not oppose this request. Because 30 days from the current due date falls on a Sunday, Oracle and NetApp request that the extension be granted to and including the following day, March 5, 2018.

Counsel of record for Oracle and NetApp has several pre-existing professional and other obligations that overlap with the current schedule for preparing responses. In light of these commitments, counsel requires additional time to prepare responses to the petitions.

Respectfully submitted,

Gregory Silbert

cc: John A. Dragseth
Robert Courtney

¹ This request is made on behalf of Oracle and NetApp in petition 17-707 and on behalf of Oracle in petition 17-708.
