RE: Burningham, et al v. Raines, 18-110

Dear Mr. Harris:

Paul James and I represent the Respondent in the referenced matter. Respondent's brief in opposition is due October 15, 2018. We respectfully request a 30-day extension, to file the brief in opposition, to and including November 14, 2018.

The extension is requested due to the obligations of our current schedules. Our current workload prevents us from having the opposition drafted and filed by the current date. The difficulty of meeting the current filing deadline is further complicated by the schedules of the lawyers we are consulting with in the preparation of the opposition.

Respondents have not previously sought an extension. The Petitioners used the entire 90-day time period to file the Petition for Writ of Certiorari.

Should you have any questions or comments, please do not hesitate to contact Paul James or me.

Yours truly,
JAMES, CARTER & PRIEBE, LLP
