**Re: County of Los Angeles v. Mendez  
United States Supreme Court No. 18-746**

Dear Mr. Harris:

Pursuant to Rule 30.4, respondents Angel and Jennifer Mendez respectfully request a two-week extension of time, to January 25, 2019, to file their Brief in Opposition. The principal basis for this request is that the undersigned counsel has other professional commitments including appeals with overlapping briefing schedules. Additionally, counsel also has a long-planned family vacation during the holidays and other attorneys assisting in the matter also have other professional commitments and holiday plans.

Before submitting this request, I spoke with counsel for the petitioners, who informed me that they consent to this extension. A two-week extension will be adequate to complete the Brief in Opposition.

Very truly yours,

PETERSON | WAMPOLD
