Honorable Scott S. Harris
Clerk
Supreme Court of the United States
Washington, D.C. 20543

Re: Edison Electric Inst. v. Federal Energy Regulatory Commission, No. 22-1246

Dear Mr. Harris:

The petition for a writ of certiorari in the above-captioned case was filed on June 14, 2023, and placed on the Court's docket on June 28, 2023. The response of the United States is now due, after one extension, on August 28, 2023. We respectfully request, under Rule 30.4 of the Rules of this Court, a further extension of time to and including September 27, 2023, within which to file a response.

This extension is necessary because the attorneys with principal responsibility for preparation of the government's response have been heavily engaged with the press of previously assigned matters with proximate due dates.

Counsel for petitioners does not oppose this further extension.

Sincerely,

Elizabeth B. Prelogar
Solicitor General
