**MOTION FOR LEAVE TO DISPENSE
WITH PREPARATION OF A JOINT APPENDIX**

Pursuant to Supreme Court Rule 26.8, Petitioners in No. 23-1201 respectfully move for leave to dispense with the requirement of a joint appendix in these cases, which have been consolidated for briefing and oral argument. Petitioner in No. 24-17 and Respondents in both consolidated cases agree that a joint appendix is not necessary.

These cases present the legal question: Whether the exercise of personal jurisdiction over a foreign state under the Foreign Sovereign Immunities Act requires satisfaction of the minimum contacts test. The opinions and relevant orders of the lower courts are reproduced in the appendices to the petitions for a writ of certiorari. The parties agree that at this stage, no other portion of the record merits special attention that warrants the preparation and expense of a joint appendix, and that preparation of a joint appendix would not materially assist the Court.
