**Re: *Growth Energy, et al. v. Calumet Shreveport Refining, L.L.C., et al.*,
No. 23-1230**

Dear Mr. Harris:

The petition for a writ of certiorari in the above-captioned case was filed on May 20, 2024, and docketed on May 22, 2024. Respondents' response is currently due, after one extension, on July 26, 2024. Pursuant to Supreme Court Rules 15.3 and 30.4, respondents respectfully request an additional 32-day extension, to and including Tuesday, August 27, 2024, to file their response to the petition. The requested extension will not change the Conference for which the petition will be distributed in the ordinary course.

The requested extension is necessary because of the press of deadlines in several other matters and previously scheduled summer vacation plans of counsel and clients. This case involves petitions for judicial review filed by six separate respondents, and the preparation of their joint response will require coordination. It is also necessary for respondents to prepare responses to two separate petitions for a writ of certiorari. See No. 23-1229.

Petitioners and Respondent Environmental Protection Agency both consent to this request.

Respectfully submitted,

Michael R. Huston
