Re: *Official Committee of Asbestos Claimants v. Bestwall LLC, et al.*,
No. 23-675

Dear Mr. Harris:

The Court docketed the petition in the above-referenced case on December 22, 2024. The response is currently due on January 22, 2024.

In accordance with Supreme Court Rules 15.3 and 30.4, respondents Bestwall LLC and Georgia-Pacific LLC respectfully request an extension of sixty days, until March 22, 2024, to file a brief in opposition. Petitioner consents to this request.

This extension will not prejudice Petitioner. Petitioner sought and received a 30-day extension to file the petition, which further asks the Court to hold the petition pending the resolution of *Harrington v. Purdue Pharma L.P.*, No. 23-124. The extension of time is further warranted because counsel is also preparing a brief in opposition to a second petition arising from this same judgment. See *Sander L. Esserman, in His Capacity as Future Claimants' Representative v. Bestwall LLC, et al.*, No. 23-702.

Sincerely,

/s/ Noel J. Francisco
