9. Do you expect any major changes to your monthly income or expenses or in your assets or liabilities during the next 12 months?

Yes.

The answer is yes because assets that I believe should be mine that aren't officially mine yet may be mine soon; also, I believe I will significantly boost sales of my books I publish.

10. Have you paid – or will you be paying – an attorney any money for services in connection with this case, including the completion of this form?

No/unsure/haven't yet/no current plans to/possibly only if I receive large sums of money before the case is disposed of.

11. Have you paid—or will you be paying—anyone other than an attorney (such as a paralegal or a typist) any money for services in connection with this case, including the completion of this form?

No/unsure/no intentions to

If yes, how much?

If yes, state the person's name, address, and telephone number:

12. Provide any other information that will help explain why you cannot pay the costs of this case.

I have been traveling a lot and at times it feels like I am a soldier who doesn't get the compensation of a soldier, nor the support, recognition, or respect of a soldier. Still, it seems I battle on, against people who have illegally or unlawfully influenced government of the United States as United States Codes and United States Constitution are trampled upon and disregarded, as if I am James Bond or a special agent but without all of the perks such as money, cars, women, weapons, gadgets, respect, recognition, or support that come with being a special agent like James Bond. Sometimes it seems like many/everyone is against me, as I grow hungry many times without the time or resources to have any type of social life such as a numb brained vegetable with no emotions. It seems there is often poor food quality that wastes money and it is hard to find time/resources to sit down and enjoy even just one hot meal a day, which might turn out to be quite costly depending on where I travel. Though my position could change as far as ability to pay, I cannot afford the docket fee nor the expenses of 40 copies but would be willing to pay the fees and supply extra copies if I somehow suddenly become well off. I am still homeless and often do not have a bed to sleep in. It is my intention to not state a single lie for any of the foregoing statements.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: April 27<sup>th</sup>, 2024.
