RE: Moylan v. Leon Guerrero, No. 23-828 - Rule 30.4 Motion to Extend Time

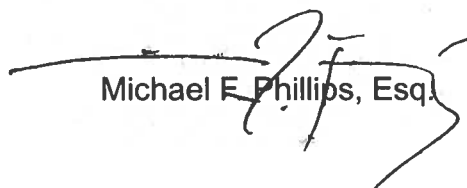

Dear Mr. Harris:

On behalf of the Guam Legislature, I respectfully request an extension of time in which to file a Response to the Petition for Writ of Certiorari in the above captioned case.

A few weeks ago, I underwent a series of minor medical procedures to address nerve pain in my neck and shoulders. At this time, I am experiencing severe and debilitating pain from a pinched nerve and have a referral to see a neurologist in the next few days. These facts constitute good cause for an extension and I ask that you grant the Guam Legislature a short extension through and until July 23, 2024 in which to file its Response.

I expect to complete our brief within this time and this will be our only request for an extension. Please contact me should you have questions or wish to further discuss this matter. I look forward to receiving your response.

Si Yu'os Ma'ase',

  
Michael E. Phillips, Esq.
