

Case No. 23-7005

IN THE
SUPREME COURT OF THE UNITED STATES

CHAN – PETITIONER

V.

MAURA TRACY HEALEY, Governor of the Commonwealth of
Massachusetts; et al., APPELLEES.

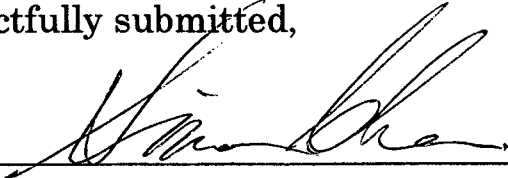

(RE Petition for Writ of Certiorari to US Court of Appeals, 1st Circuit)

**PETITIONER'S MOTION FOR LEAVE TO REQUEST
2 WEEKS EXTENSION TO RE-FILE PEITION IN COMPLIANCE
WITH RULE 33.1 PER US SUPREME COURT ORDER**

Now comes before this Honorable Supreme Court of the United States, Petitioner Simon Chan (Pro Se), respectfully moves this Court to allow him 2 more weeks until June 17th 2024 instead of June 3rd 2024 to file an amended petition for full compliance with Supreme Court Rule 33.1 (per Order of the Court). Chan understands this is a privilege to be evaluated by the Court if granted. The reasons for the extension are delays caused by preparing the financial funding of printing the booklets and the time consumed to learn the required Rule 33.1 technicalities. In closing, Chan assures that he has already secured the required fundings for printing the petition booklets cost and will proceed rapidly in every way to get the filing done before extended deadline of June 17th 2024. This shall be the one and only motion for time extension request to the Court. Petitioner humbly prays that this

Honorable Supreme Court will give him compassionate considerations and grant him this time extension motion. Thank you all!

Respectfully submitted,

Petitioner Simon Chan, Pro Se
