CORRECTED JUDGMENT

Before COLLOTON, GRUENDER, and KELLY, Circuit Judges.

The court has reviewed the original file of the United States District Court. It is ordered by the court that the judgment of the district court is summarily affirmed. See [Eighth Circuit Rule 47A\(a\)](#).

The motion for leave to proceed in forma pauperis has been considered and is granted. The full \$505 appellate and docketing fees are assessed against the appellant. Appellant will be permitted to pay the fee by installment method contained in 28 U.S.C. sec. 1915(b)(2). The court remands the calculation of the installments and the collection of the fees to the district court.
