

No. _____

**IN THE
SUPREME COURT OF THE UNITED STATES**

JOHN ROSS STENBERG --- Petitioner

VS.

DON LANGFORD --- Respondent

MOTION FOR EXTENSION OF TIME

COMES NOW, Petitioner, John Ross Stenberg, pro se, and respectfully reuests an extension of sixty (60)) days to submit a **Writ Of Cetiolari** to the **UNITED STATES SUPREME COURT**, in the above matter.

IN SUPPORT, Petitioner states and alleges as follows:

1. This pro se litigant has little experience with litigating, expecially at this high level, thus requiring the Petitioner to spend extra time researching and preparing documents.
2. Petitioner also relies on the help of other inmates within the confines of the prison to assist him in these matters.
3. Petitioner has not been able to attract the assistance of Counsel, although Petitioner has sent out letters to several lawyers, eight (8) at last count. To this date only two replies have been received by the Petitioner and both were denials of service. Currently an application for assistance has been sent to the Midwest Innocence Project, with no reply forthcoming as of yet.
4. Due to the limited amount of time and space available, Petitioner is allowed to

use the Law Library only 1.5 hours a day Monday thru Friday.

5. Due to the complexity of the issues raised, and the Petitioner's lack of knowledge pertaining to litigating such issues, Petitioner respectfully requests a sixty (60) day extension of time in which to file his **Writ Of Certiorari** to the **UNITED STATES SUPREME COURT**, so that he may provide a meaningful and compelling argument as to why the petition for a **Writ of Certiorari** should be granted.
