Petitioner's 2nd Rule 30 Motion for Extension to File Petition in Rule 33.1 Format  
for 30-45 Days Extension Until July 5, 2024 or July 19, 2024

Why is Motion for Extension to File Writ in Rule 33.1 Format

The Petitioner, Kathy R. Allen, who is having to file the Petition (Supreme Court "SCR") and motion *pro se* respectfully files this motion to request 2<sup>nd</sup> extension to file for this Petition #23-6614 due June 21, 2024. The Petitioner had costs in filing the IPF in 33.2 and is now trying to update that filing, which was 12,081 words into the 9,000 allowed. It is requiring more time and costs for the Petitioner to do including deciding next things for this Petition and to her own personal schedule for making these change, and requests at least 30 days and preferably 45 days to July 5, 2024 or July 19, 2024.

The Petitioner has another Petition #23-6613 with this Court and it is requiring her time and costs as above, and to the costs paid for servicing and formatting the January 26, 2024 filing. This is also why the extension is required. It is unfortunate the IPF was denied and after the costs to file it were used and to her monetary resources for these Petitions. Being so the Petitioner asks that this extension be granted. To save time the Petitioner asks the Court to send her the Order for this motion by E-mail if possible to have until the mail Order arrives.

Deny Respondents or Their Attorney any Attorney Fees and/or Costs

The Petitioner asks this Court to deny any fees and costs for this Petition, motion or reply, because it is the Respondents' conduct that required the filing of the appeals and this Petition.

Respectfully submitted,  
This 29th day of May 2024.
