Re: Nathan Miller vs. Republican Party, No. 24-53

Dear Mr. Harris:

Pursuant to Rule 30.4, Intervenor Attorney General Keith Ellison requests a 14-day extension of time to file a response to the petition for a writ of certiorari in this matter. A response is currently due August 16, 2024. A 14-day extension would make a response due August 30, 2024.

Attorney General Ellison submits that good cause exists for the extension. This is intervenor's first request for an extension of time to file a response, and the request is relatively short. Good cause exists for the requested extension. Apart from this case, I represent the State of Minnesota and its agencies in several other matters and review appellate work product for several additional cases; those responsibilities require substantial amounts time in the coming weeks. I also have a long-planned vacation in the interim. An extension of time would better enable preparation of a response that would be most helpful to the Court.

Counsel for Attorney General Ellison has conferred with counsel for Petitioners Nathan Miller and Miller for SD9 and Respondent Republican Party of Minnesota. They consent to the extension.

Sincerely,

LIZ KRAMER
Solicitor General
