Re: *Bethesda University v. Cho*, No. 24-530

Dear Mr. Harris:

Pursuant to Rule 30.4, respondents request that the time within which to respond to the petition for certiorari be extended 30 days, to and including Monday, January 13, 2025. The petition for certiorari in the case captioned above was filed on November 7, 2024, and the brief in opposition is now due, unless extended, on December 12, 2024.

Undersigned counsel was retained by respondents only after the petition was filed. In addition, respondents have been notified for four separate amici of their intent to file briefs in support of the petition. Those briefs are due December 12, 2024. The requested extension will enable respondents to respond to those amicus briefs in their brief in opposition.

Very truly yours,

/s/ Donald M. Falk
