**BRAD KEITH SIGMON,**  
Petitioner.

**CAPITAL CASE**

Execution of Appellant Sigmon scheduled for

**MOTION TO FILE SUPPLEMENTAL APPENDIX  
UNDER SEAL**

---

Petitioner Brad Keith Sigmon respectfully moves this Court for leave to file a supplemental appendix under seal.

Mr. Sigmon's supplemental appendix contains the autopsy reports for two men executed by lethal injection in South Carolina: Richard Bernard Moore and Marion Bowman Jr. In the proceedings below, Mr. Moore's autopsy was sealed by the Supreme Court of South Carolina in response to a consent motion by the parties because it contains detailed, personal medical information. The parties filed a similar joint consent motion to seal Mr. Bowman's autopsy, which the Supreme Court of South Carolina denied; Mr. Sigmon has a pending motion asking the Court to reconsider that decision. As Mr. Bowman's autopsy also contains detailed,

personal medical information, he respectfully moves this Court to submit it under seal as well.

It is therefore respectfully submitted that Mr. Sigmon's supplemental appendix should be filed under seal.

Respectfully submitted,

John G. Baker

Western District of North Carolina
