Re: *Chevron USA Inc., et al. v. Plaquemines Parish, et al.*, No. 24-813

Dear Mr. Harris:

Through a series of filings on February 5, 10, and 11, 2025, all respondents waived their right to respond to the petition for a writ of certiorari in the above-captioned case. The petition was accordingly distributed on February 12 for Conference on February 28, which falls before the current March 3 deadline for briefs *amici curiae* in support of the petition.

On behalf of petitioners, I write to inform the Court that the Chamber of Commerce of the United States of America and the National Association of Manufacturers; two former Chairmen of the Joint Chiefs of Staff; and the American Petroleum Institute and American Fuel & Petrochemical Manufacturers intend to file briefs *amici curiae* in support of the petition. Unless the Court alters their deadline by calling for a response to the petition before March 3, 2025, these *amici* intend to file their briefs by that date. Petitioners respectfully request that this letter be circulated with the petition for a writ of certiorari.

Sincerely,

Paul D. Clement
