

APPLICATION FOR ADDITIONAL EXTENSION
FOR SYLVIA CRANE

October 8, 2024

USCA11 Case: 23-10819

Case: Sylvia Crane v. Postmaster General United States Postal Service

Enclosed: 3 Pages Total

On September 10, 2024, I was granted an extension of time, Application No. 24A252.

I am requesting an additional 30 days. Today, I spoke to the clerk's office and requested the additional 30 days for the extension and was informed to write this letter requesting the additional days needed.

While continuing to pursue legal counsel, I have not found anyone to represent me. I have a phone appointment for tomorrow with the Alabama Disabilities Advocacy Program. I am working on my petition and have some clerical issues. Also, I am dealing with medical issues, due to my disabilities.

Thanks again,

Sylvia Crane
