~~Dear~~ To Whom it may Concern, I
CAZE D. THOMAS am Requesting an extension
to submit my Initial filing of a writ of
Certiorari petition. My Filing deadline
is Oct 28th 2024 as per 2-4.211
After the Denial of My Petition to Rehearing
~~and~~/En Banc, which was made/decided
on July 31st, 2024, by the 2nd Circuit
Court of Appeals, NYC. Case # 22-2659
Appealed from Judge A. TORRES of Southern
District Court of New York.

~~I~~ I am Requesting ~~an~~ extension of time
of 60 days due to Medical Health Complication
Such as blood clots on my lungs, Kidney Injuries
Spinal nerves Injuries, Spinal bone Injuries
and others. I was told that the max to extend
was 60 day but some sources says it's 90 days
IF a 90 day Extension is Permitted, I'd
Rather opt For 90 days but no less than
60 days
