(Eleventh Circuit Court of Appeals)

In Ref.: Emilio Santiago

Appellant

v.

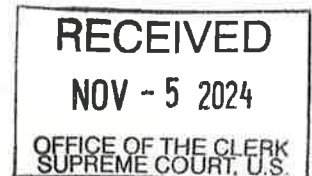

United States of America

Appellant's Motion For Enlargement Of Time
(60 Days) To Petition The Court For
Review For Good Cause Shown

Mr. Emilio Santiago sought an Appeal of the District Court's denial of his Section 2255 Motion. The Eleventh Circuit Court of Appeals upheld the District's rulings. Mr. Santiago intended to seek review from this Court. However, due to substantial damage to FCI Edgefield, where Mr. Santiago is housed, the prisoners were confined to their cells for an extended period. Furthermore, the prison is under modified conditions, all of which has hindered Mr. Santiago from preparing a Petition for this Court. Therefore, Mr. Santiago Comes here and respectfully Moves this Court for an enlargement of time (60 Days) to prepare and submit a Petition to this Court.

WHEREFORE

Mr. Santiago prays the Court will grant the requested relief after considering the circumstances discussed.

Respectfully Submitted on 10/17/2024
