ORDER

Eric Strong has filed a notice of appeal from the denial of his petition under 28 U.S.C. § 2254, which we construe as an application for a certificate of appealability. This court has reviewed the final order of the district court and the record on appeal. We find no substantial showing of the denial of a constitutional right. *See* 28 U.S.C. § 2253(c)(2).

Accordingly, the request for a certificate of appealability is DENIED.
