MOTION FOR EXTENSION OF TIME
TO FILE A WRIT

Come Now, Pro Se Plaintiff Jonetta Grieme to humbly ask the Supreme Court Of The United States Of America to grant me an extinction of time for filing my Writ. I would like to ask for 60 days but will be grateful for any extra time that the courts will allow me. I am appealing the Eighth District Court Of Appeals decision. Please find attached the Docket Sheet **EXHIBIT 1 on page 3 dated May 3, 2024 is the Judge's Order denying My Motion for Reconsideration of an En Banc hearing** from the Eighth District Courts of Appeals in Missouri. The Eighth District Courts denied faxing and denied EMailng me the order but agreed to mail it to me. There has been a lot of delay in the USPS when handling anything between me and the courts so I was afraid I would not receive the signed order in time to request the extinction and all I had access to was the docket entries.

The reason for the extinction is due to my documented disability of PTSD and it affects my concentration, I have trouble focusing and my organization skills are horrible. not have a disability of Chronic PTSD, Anxiety and Depression. It also interferes with my sleep and performance with everyday life.

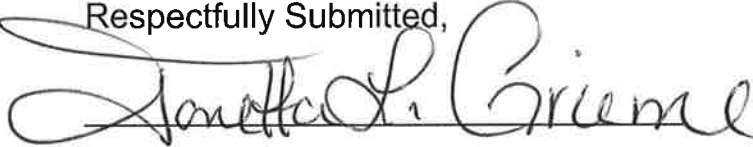

I am a Pro Se litigant and also am the only one in my household so I am responsible for all the responsibilities of my household. I humbly ask The Supreme Court Of The United States to please grant me a 60 day extinction to file my WRIT CERTIORARI. Attached are 4 EXHIBITS to prove my disability.

Exhibit 2 – Document from Social Security Administration

Appeal from United States District Court
for the Western District of Missouri - St. Joseph

Submitted: March 6, 2024

Filed: March 14, 2024

[Unpublished]

Before LOKEN, BENTON, and ERICKSON, Circuit Judges.

PER CURIAM.

Jonetta Grieme appeals following the district court's¹ adverse grant of summary judgment in her pro se civil rights action. Upon careful review, we conclude that the

¹The Honorable Brian C. Wimes, United States District Judge for the Western District of Missouri.

district court correctly determined that Grieme's claims were time-barred under Missouri's statute of limitations. See Knapp v. Fag Bearings, LLC, 69 F.4th 513, 516 (8th Cir. 2023); Sulik v. Taney County, 393 F.3d 765, 767 (8th Cir. 2005). Grieme raises several arguments for tolling the limitation period, but we conclude that none has merit.

Accordingly, we affirm the judgment of the district court. See 8th Cir. R. 47B.
