The petition writ of certiorari is due on December 6, 2024. According to the online MA Supreme Court docket, this petitioner's exigent motion for leave of the denial of the Further Appellant Review is pending review pursuant to Rule 27 of the Rules of the Massachusetts Supreme Court. Good cause exists for the requested extension. The pro se petitioner is financially eligible for legal assistance. However, this petitioner has not at this time retained the essential

necessary legal assistance in order to submit a substantially compliant brief to this Court for consideration. In addition, this petitioner is diagnosed with hypertension and stress requiring this petitioner to obtain this necessary legal assistance and extension. Whereas this petitioner is actively seeking such essential timely legal representation to assist this petitioner. The extension will allow this Petitioner to devote substantial amounts of time to adequately prepare the petition and work with experienced counsel. Counsel will require sufficient time to familiarize counsel with the relevant legal issues. In addition, the petition must be reviewed by legal counsel within the legal service agency. This requested extension of time would better enable preparation that would be most helpful to this Court.

Accordingly, this petitioner respectfully requests that the time for filing a response to the petition for writ of certiorari be extended by 60 days up to and including February 6, 2025. This petitioner is not aware if the respondents oppose this motion at this time.

Sincerely and respectfully submitted
under the pains of penalty of perjury by
