Re: Request an extension of the 90-day deadline
to file a Petition for Certiorari Review.

Sir/Madam,

I intend to file a Petition for Certiorari Review, in regards to the United States Court of Appeals, for the Second Circuit, Mandate issued on October 17, 2024 in Case No. 23-6748, based on portions of the appeal being unresolved.

However, due to the repeated lockdowns of this Facility (USP Canaan), I have not been able to do the necessary research to prepare said petition, as I do not have access to the legal computer.

Therefore, I herein request an extension of the 90-day deadline to file for Certiorari Review. I request an additional 50-days. I have

enclosed a copy of the Second Circuit's October 17, 2024 Mandate with this letter.

I, James Dean Kendrick, declare and state under penalty of perjury that I placed this request for an extension in the Facility (USP Canaan) mail system, with postage pre-paid, to be forwarded to the U.S. Postal Service for mailing on January 3, 2025. Therefore, per *Houston v. Lack*, 487 U.S. 266 (1988), and the "Inmate Mailbox Rule," this request should be deemed filed on January 3, 2025.

Dated: January 3, 2025 Sign: James Dean Kendrick
