I respectfully request that *The Honorable Supreme Court of the United States of America* grant me a 60-day extension of time to file a *Petition for a Writ of Certiorari* in my case, *Langdon v. Sun Lake Multi-Family Homes, LLC, Greystar Property Management, Allison Murrell, Shawna Pollack, Angela Whitt, Robert Faith, Evelyn Camacho, Jane Doe, & The State of Florida*, case no. SC2024-1440 (Florida).

I am 73 years old, proceeding *pro se*, homeless, and I live in my car. I am homeless primarily due to the criminal conduct of the Respondents, the criminal conduct of their attorney, Barry B. Johnson, and family illness. I work, but I don't make much. I have some serious health problems. I suffer from crippling headaches from a mugging I received some time ago, and I also suffer from severe hypoglycemia, both of which makes it difficult for me to concentrate at times. This case raises important Constitutional issues.

The last ruling of the Supreme Court of Florida in this case was made on 11/26/2024 (copy attached) when *The Supreme Court of Florida* denied my *Motion to Reinstate* my case. The deadline for filing my *Petition for a Writ of Certiorari* is February 24<sup>th</sup>, 2025. I am asking that I be allowed 60 days, until April 30<sup>th</sup>, 2025, to file the *Petition for a Writ of Certiorari*. I will try to file it sooner than that. I filed a *Petition for a Writ of Certiorari* in a related case for SC2024-1368. Both cases grew out of appeals in the same case.

I am proceeding *pro se*, and should be given every opportunity to prove my case.

*See: Haines v. Kerner*, 404 U.S. 519, 520-521 (1972); *Platsky v. CIA*, 953 F. 2d 281 (2<sup>nd</sup> Cir. 1991); *Bounds v. Smith*, 430 U.S. 817 (1977). *Estelle v. Gamble*, 429 U.S. 97 (1976)

Respectfully submitted, this the 22<sup>nd</sup> day of January, 2025.
