Motion For Extension of
Time

13 I am a PROSE inmate in the California Penal System. I was convicted of
14 a crime. I then appealed and the verdict was upheld. I then filed in
15 the California Supreme Court, but I was denied a review. I now have
16 90 days since 7-1-2024 to file in The United States Supreme Court. I
17 plan on doing so, however, I am currently housed at the Reception Part of
18 the Prison and I have a severe lack of access to the law library. I
19 can not then receive the paperwork I need to file in this Court. More-
20 over, the Librarian will not send the documents I need. Instead, I have
21 to wait to be called into the library. I do not have a date when that
22 will be. I am asking for an extension of time to file in Your Court.
23 Good Cause is here, if the Court allows, can I have an additional
24 90 days or as this Court sees fit. Thank You.

25 under the umbrella of the United States Constitution this is true and correct

26 Respectfully Submitted,
