

Case 23-130  
In the Supreme Court of the United States  
Saad Sakkal, Petitioner  
v.  
United States, Respondent

**PETITION FOR PERMISSION  
TO FILE AN OVERSIZED/ENLARGED BRIEF**

Saad Sakkal, a pro se petitioner, and appellant, respectfully ask the Honorable Court to issue an order, to grant him a permission to file an oversized/enlarged brief, under the Court jurisdiction, Rule 2 of Federal Rules of Appeal. the petitioner request based on the following:

1) The case is extremely multi-faceted, complicated for any attorney, and naturally to anyone proceeding pro se, without prior schooling in the law. But the petitioner is forced after he ran out of all family resources.

2) During the preparation for re-hearing many changes in the law application occurred in more than one circuit requiring a careful review of the current practice, and despite trying to cut the text, it could not be shortened further.

3) The extensive facts omitted from the record before, made this last petitioner the necessary and last venue for the obligatory facts' presentation, to avoid missing important issues.

4) This Court already remanded the case once on October/13/2022. But the Sixth Circuit Appeals Court mistakenly resisted any relief, requiring extra extensive research to show the Circuit error.

5) Your office instructed the petitioner to attach this request at the submission of the extended text in the interest of justice, and the petitioner thus pleads that you accept it with his full respect.
