

IN THE SUPREME COURT OF THE UNITED STATES

BRANDON LIONEL JOHNSON
Petitioner

v.

CASE No. S24C1222

THE STATE,
Respondent

2nd Motion For Request of
Extension to file Writ Of Certiorari in
(CASE No. S24C1222)

Here comes now the Petitioner in request for extension.
Recently, I received a response from United States Supreme Court Clerk on request for extension to file a Writ Of Certiorari. I failed to send your Courts a copy of lower courts ruling and specify amount of time needed for extension. Within this 2nd submission I did provide the lower courts ruling. The Courts made last ruling on Dec 6, 2024 in response to a (2nd) motion for reconsideration. I'm aware once the court rule and a remittur is in place I have (90 days) to file Writ of Certiorari to United States Supreme Court. So (90 days) would be March 6, 2025, which is why I'm requesting for extension. I submitted a (3rd motion) for reconsideration (Jan 2025) and have not received response but I recently submitted a Writ Of Certiorari to the United States Supreme Court in Feb 2025.

The Petitioner is requesting an additional (90 days) to give time for Writ Of Certiorari to arrive to the Supreme Court (United States) Clerk for filing/review.

The Petitioner Prays that he receives an extension and the Courts rule in his favor on Writ Of Certiorari. God Bless!'

Respectfully Submitted,

Brandon Joh
