ORDER IN PENDING CASE

24A666 TRUMP, DONALD J. V. NEW YORK, ET AL.

The application for stay presented to Justice Sotomayor and by her referred to the Court is denied for, *inter alia*, the following reasons. First, the alleged evidentiary violations at President-Elect Trump’s state-court trial can be addressed in the ordinary course on appeal. Second, the burden that sentencing will impose on the President-Elect’s responsibilities is relatively insubstantial in light of the trial court’s stated intent to impose a sentence of “unconditional discharge” after a brief virtual hearing.

Justice Thomas, Justice Alito, Justice Gorsuch, and Justice Kavanaugh would grant the application.
